

# *Grenadine Syrup*

## *Bar Mix*

### *# 1069610*

#### *Description:*

*Grenadine is traditional red syrup. It is used as an ingredient in cocktails, both for its flavor and to give a pink tinge to mixed drinks*

#### *Serving/Usage Suggestions:*

*Use as a base for your favorite bar drinks; Tequila Sunrise, Screwdriver, Tom Collin/ Roy Rogers or Shirley Temple*

*Use to make a refreshing Cherry Cola Drink*

#### *Make Up*

*Tequila Sunrise*

#### *Directions:*

*2 fl.oz tequila  
orange juice  
2 dashes grenadine syrup*

*Pour tequila in a highball glass with ice and top with orange juice. Stir. Add grenadine by tilting glass and pouring grenadine down side by flipping the bottle vertically very quickly. The grenadine should go straight to the bottom and then rise up slowly through the drink. Garnish with stirrer straw and cherry-orange.*

#### *Pack Size:*

*2x2 liter*

#### *Neptune Code:*

*1069610*

#### *Ingredient List:*

*Corn Syrup, Glucose-fructose Water, Artificial Flavor, Citric Acid, Sodium Benzoate, Color, Salt*
