# Small Quantity Custom-Labeled Bottled Water

## What is the Custom-Labeled Bottled Water Program?

This exciting and cost-effective program from GFS Marketplace® allows you to promote your special event by labeling ten cases of our natural spring water with your own custom-designed label. The source of our water is 400 acres of rolling countryside in southern Fairfield County, Ohio. As the rainwater percolates through ancient sandstone bedrock, it's filtered to create a crisp, fresh pure taste.
