*The date codes listed can be found on the product master case label. **The date codes listed are only the Julian production date from the case label.**

The recall includes these items and lot numbers only. These products are not to be consumed or served.

Banzai has notified us that product they have shipped us may contain cases of mislabeled packaging. In abundance of caution to protect consumers who may have food allergies, Banzai has opted to conduct a recall.

We ask that you discontinue the sale of the items (only for the affected purchase orders listed) and isolate them for destruction.

Please note that proper procedures must be followed and these cases may not be returned to your distributor.

If you have further distributed any of this product, then you are responsible to notify all consignees of this recall.

Please feel free to contact me at 909-477-4811 with any questions.

Sincerely,
Michael M. Cramer, Quality Assurance Director
