

Gordon Food Service Market Updates

Grocery & Bakery section for Market Update: November 23, 2018

Grocery & Bakery | Wheat

Abundant supply of high quality wheat has pressured cash prices lower. Until exports pick up cash wheat prices will remain soft.

Grocery & Bakery | Soybean Oil

Soybean oil prices are at the low end of the USDA's \$0.28-\$0.32/lb range. Falling crude oil prices have pressured bio-diesel and soybean oil values.

Grocery & Bakery | Sugar

Harvest is virtually complete. Pricing has been flat for both beet and cane sugar.
