

Gordon Food Service Market Updates

Grocery & Bakery section for Market Update: December 7, 2018

Grocery & Bakery | Wheat

Prices have leveled out for now as a lack of "news" leaves prices flat at relatively cheap levels.

Grocery & Bakery | Soybean Oil

Soybean oil prices are at the low end of the USDA's \$0.28-\$0.32/lb range. There is plenty of vegetable oil available worldwide.

Grocery & Bakery | Sugar

Now that most processors have forward sold a significant part of their output, they have tightened up the lower end of their offers. Cane remains at a 2-3% premium to beet sugar.
