

Gordon Food Service Market Updates

Grocery & Bakery section for Market Update: January 11, 2019

Grocery & Bakery | Wheat

Wheat futures are near one-year lows as export business remains slow and Northern Hemisphere weather conditions remain favorable.

Grocery & Bakery | Soybean Oil

Recent reports suggesting that hot-dry weather is shrinking the South American soybean crop have lifted prices off recent lows.

Grocery & Bakery | Sugar

Both raw and refined sugar prices have been flat since November. Cane remains at a 2-3% premium to beet sugar.
