

URGENT PRODUCT INFORMATION

Fresh Express (via SpartanNash Distribution) Urgent Recall

Summary Fresh Express (via SpartanNash Distribution) has issued a recall for salads because it might be contaminated with Cyclospora.

Recall Date 6/29/2020

Company/Firm Fresh Express (via SpartanNash Distribution)

Product Salads

Reason Cyclospora

Illness Symptoms of Cyclosporiasis may include the following: watery diarrhea (most common), loss of appetite, weight loss, cramping, bloating, increased gas, nausea, fatigue. Other symptoms that may occur but are less common include the following: vomiting and/or low-grade fever.

Instructions Please isolate any affected product (see below table) and destroy it in a secure manner to prevent unauthorized consumption. If you have product stored out of the case and are unsure of the code date please destroy this product also. Your sales representative will be able to issue you credit. Please note that proper procedures must be followed and these cases may not be returned to your distributor. If you have further distributed any of these products, then you are responsible to notify all consignees of this recall.

The recall includes only the below items and lot codes that were distributed by Gordon Food Service.
